• PATENTED

CLIMA PRO TECHNOLOGY

□

Guarantees a stable temperature during the grinding phase for an intense and consistent texture.

CLUMP CRUSHER SYSTEM

□

This system eliminates the electrical static effect of the ground coffee, maintaining the continuous flow of coffee and reducing residue.

FILTER HOLDER HOOK

□

One of the most functional and ergonomic revisions made on the Mythos One. The operations of the barista are facilitated with less wrist strain.

ERGONOMIC SHAPE

□

The new ergonomic shape of the grinder is much user friendly and allows a complete control of the machine. The LED lights guarantee full illumination even when darker.

LIFE-LASTING BURRS

□

Nanotech burrs for an even more efficient and durable grinding operation (up to 1200 kg of coffee).

SILENTIOUS

□

The new technical features allow the machine to work silently guaranteeing a quiet ambiance in the coffee shop.
